

## CD Production Prices

### Small-run CD production base prices

Our CD production base prices include the following:

- recording, for up to half a day (4 hours);
- mastering;
- artwork;
- duplication.

Our artwork includes a 4-page booklet for the front of the CD case, an insert for the back and an on-CD label.

Copies	Price	Per CD
50	£300	£6.00
100	£465	£4.65
200	£795	£3.98

These prices are our current prices as of October 2005, but we reserve the right to change them at any time.

If the music that you wish to record is subject to copyright, you will need to make MCPS payments in addition to these prices. We can arrange this for you.
